Welcome to the Four Seasons Hotel Los Angeles at Beverly Hills

L.A. CALLING

Settle in, unwind, and enjoy the little luxuries

Located in the heart of Beverly Hills, home to Hollywood's most glamorous elite, Four Seasons Hotel Los Angeles at Beverly Hills is a five star hotel oozing both character and class. A recent redesign of the hotel's Premier and Presidential suites mean that interiors now reflect Hollywood Glamour fused with a softer, more elegant colour palette and light-filled spaciousness. Widely reputed as being an iconic address for celebrities, the hotel has introduced a 'Doheny Experience', which offers real star benefits. After a swift transfer from LAX, and on arrival at your photogenic bedroom, you will be pleasantly surprised to discover a slew of thoughtful touches awaiting you including a dramatic floral arrangement, personalised embroidered stationery and slippers and customised welcome amenities. Plus your own personal butler will be on hand day or night to cater to your every whim. To truly indulge, book an exclusive suite, which includes the rental of a swanky Range Rover for the duration of your stay. Floor-to-ceiling windows show off the sweeping city view and famously fabulous Hollywood Hills, whilst an ornate balcony is just the right size for an al fresco breakfast allowing you to absorb the stunning vistas. Unwind at the resort-style pool, which is surrounded by pretty, perfectly-manicured gardens, on the days you're not shopping on Robertson Boulevard or Rodeo Drive. If you're after a little self-care, rest and relaxation, head to the wellness spa, which offers a slew of tantalising treatments. The new Liquid Surgery Facial (Dhs3,700) is 120 minutes of pure bliss. We're California dreaming.
